

IBSTONE PARISH COUNCIL

VILLAGE NEWSLETTER – SEPTEMBER 2019

Ibstone Parish Council held an Ordinary Meeting on Monday 16th September 2019 at Ibstone School. The following items include some discussed at that meeting.

Traffic Matters

You will have noticed (we hope!) that our second MVAS monitoring device is now in action. We have some teething troubles with the data management but hope to have up to date statistics on the website shortly.

Website

We now have some interesting historic pictures of the village on the website.

Planning

Wycombe District Council have now formally adopted their Local Plan. This confirms matters such as preferred areas for development and can be found on their website. Adoption also means that a presumption in favour of development is now not applicable in situations such as some recently argued in the village.

Village Fireworks Evening

This is being planned for Saturday 2nd November. Further details will be circulated in due course, so please save the date and support the event.

Harvest Supper

You should have received a flyer for the village harvest supper to be held at Ibstone School on 13th October at 6.00 pm following the Harvest Songs of Praise at 4.30 pm at St Nicholas' Church. Tickets are limited so please apply promptly to Toby Long or Polly Scott if you would like to attend.

Churchyard Clean-up

If you have time to help clear up leaves and generally maintain the churchyard, you will be welcome at 10.00 am on 19th Oct. and 16th Nov. or at 12.00 noon on 2nd Nov. Many hands make light work.

Next Meeting

The next PC meeting will take place at Ibstone School in November on a date to be confirmed.
