

IBSTONE PARISH COUNCIL

VILLAGE NEWSLETTER – MARCH 2019

Ibstone Parish Council held an Ordinary Meeting on Tuesday 12th March at Ibstone School. As it is only just over a month since our last newsletter this one will (mercifully) be shorter than usual and includes some of the items discussed, together with others of village interest.

Traffic Matters

Our website now displays all recorded statistics from the MVAS since June 2017 and illustrates where the high risk areas have been since that time. To view them visit www.ibstone.org, select Council and then Speeding from the drop down menu. We will place an order for a second machine very shortly.

Playground Equipment

Discussion on this item was deferred owing to the absence of two Councillors who were indisposed. There is still time for you to express your opinion on the possible provision of more equipment.

Thames Water

The PC recently wrote to Steve Robinson, CEO of Thames Water, expressing the frustration and anger within the village at their poor response to leak complaints, even in the case of emergency, and their cavalier approach to unannounced road closures. You are all encouraged to do likewise when the next crisis arises, which it surely will.

His email address steve.robertson@thameswater.co.uk

Village Litter Pick

Irene and Rass Randall have kindly offered to organise our annual litter pick on Sunday 24th March, starting at 11.00 am from the cricket pitch. You should have received a flyer from them, so please help if you can. The phrase 'many hands make light work' is particularly appropriate to the exercise!

Planning Matters

There is plenty happening in the village on the planning front, so please take the time to check the Wycombe website www.wycombe.gov.uk whenever our

clerk alerts you to a new application. Your opinion matters and will affect the village environment in the immediate future and for generations to come.

Next Meeting

The next Ordinary Meeting will take place at 7.30 pm at Ibstone School on **Monday 20th May**, together with the Annual Parish Meeting and Annual Parish Council Meeting. As usual, please contact any Councillor or our Clerk if you wish to raise any matter in the interim. Contact details are available on our website.
